**WHEREAS**, the School Board is committed to protecting students' constitutional rights, including their Fourth Amendment right to be free from unreasonable searches and seizures and to access a free public education; and

**WHEREAS**, the School Board does not tolerate any form of discrimination, hazing, harassment, intimidation, bullying, cyberbullying, or menacing of students;

**NOW, THEREFORE, BE IT RESOLVED** the School Board expects the District shall do everything in its lawful power to protect our students' confidential information and ensure that our students' learning environments are not disrupted by immigration enforcement actions, including but not limited to the following:

The District will continue its practice to not collect or maintain any information about our students' immigration status.

Any request by a federal immigration official (a) for entry into any District school or other District property, (b) to communicate with any student while that student is under the supervision of the District during any school activity or while using District transportation, or (C) for any information about our students shall immediately be forwarded to the District's legal counsel.

In responding to such requests, the District's legal counsel will not share information or provide access to our students unless required by law and will direct the District to protect the constitutional and legal rights of our students. For example, the District's legal counsel will not grant access to our students unless presented with a valid arrest warrant issued by a federal or state judge or magistrate.
