Let the McKinney-Vento Act Help YOU!

Feeling like there is no one that can help in your situation may have kept you from asking for help. You may not want to share with your teachers or classmates about the housing issues you are facing.

You can talk to any teacher or staff member and tell them that you have the right to McKinney-Vento Act services because of where you are living- they will keep your situation private.

Under the McKinney-Vento Act, you have the right to know what kinds of services you can receive and the school district is **required** to help you.

If you are having problems staying in school because you are:

- ⇒ Having trouble getting into a new school
- ⇒ Do not have transportation to get to and from school
- ⇒ Need free meals, school supplies, uniforms, or birth certificate

We can help! You will be better able to get what you need to stay in school and access to resources that may help with post-graduation life.

Remember, your school can only help if you let them know that you need it.
