

Construction crews demolished the cafeteria wall, excavated the site and leveled the ground to prepare for construction of the cafeteria expansion. ~~WQFB/00~~

Cafeteria expansion

Over \$14.3 million will be invested in improvements at Waldo! Work is expected to be complete by early fall of 2020.

Thank you for your continued patience and understanding. The improvements at Waldo will help relieve overcrowding, expand learning opportunities for science education and better support students as they prepare for the next steps in their education.

You can track Waldo's construction project by viewing their [photo gallery](#) on the bond page. A photo album can also be found on [Facebook](#), and more information about bond projects can be found on the [district website](#).
