

Clear Lake Elementary School Bond Construction Update!

May 2020

Construction season is gearing up in Salem Keizer School District. Many schools are currently under construction, and a total of 20 schools are expected to be under construction within the next couple of months, including Clear Lake. Just over \$485,218 is being invested improvements at Clear Lake, thanks to the bond that voters passed in 2018.

While schools are currently closed and many businesses are in different stages of reopening because of the coronavirus pandemic, the governor’s “Stay Home, Save Lives” order allows construction businesses to operate provided they implement social distancing policies. Our construction contractors are fully informed about the requirements of social distancing.

Highlights of the work happening at Clear Lake include select ventilation improvements, music room improvements, improvements to the front office space to increase visibility and control of the front entry, site drainage improvements and more.

Construction is planned to begin in June and is expected to be completed over the summer. Our campus is closed to visitors – Please do not enter fenced areas and obey all posted signs.

Campuses will remain closed, and the schedule for staffing the school office will vary during the summer. Please contact Clear Lake’s office at 503-399-3138 for information about summer office hours.

Thank you for supporting the 2018 bond that is funding the improvements at Clear Lake to create a safer and better learning environment.

The list of work planned and other information about Clear Lake’s bond project can be found on the [district website](#). More information about bond-funded construction in Salem-Keizer Public Schools can be found at www.salemkeizer.org/projects-status.
