

Highland Elementary School Bond Construction Update!

May 2020

Construction season is gearing up in Salem Keizer School District. Many schools are currently under construction, and a total of 20 schools are expected to be under construction within the next couple of months, including Highland. Over \$647,212 is being invested improvements at Highland, thanks to the bond that voters passed in 2018.

While schools are currently closed and many businesses are in different stages of reopening because of the coronavirus pandemic, the governor’s “Stay Home, Save Lives” order allows construction businesses to operate provided they implement social distancing policies. Our construction contractors are fully informed about the requirements of social distancing.

Highlights of the work happening at Highland include site drainage improvements, replacement of portable classrooms, security improvements to increase visibility of the front entry from the office, music room/stage improvements and more.

Construction is planned to begin in June and is expected to be completed over the summer. Our campus is closed to visitors – Please do not enter fenced areas and obey all posted signs.

Campuses will remain closed, and the schedule for staffing the school office will vary during the summer. Please contact Highland’s office at 503-399-3155 for information about summer office hours.

Thank you for supporting the 2018 bond that is funding the improvements at Highland to create a safer and better learning environment.

The list of work planned and other information about Highland’s bond project can be found on the [district website](#). More information about bond-funded construction in Salem-Keizer Public Schools can be found at www.salemkeizer.org/projects-status.
