 \text{New total bond} \\
 \text{package}
 \end{array}$$

**Funds additional projects and expanded scope in support of boundary adjustments and specific school needs*

The 2018 bond program promises to:

- Expand career and technical (vocational) education and science education
- Relieve overcrowding and prepare for future enrollment growth
- Improve safety and security, including seismic safety
- Protect the community's investment in existing school district facilities

54 out of 60 school buildings have completed design work, are in construction or are complete.

Student enrollment, employee, school data as of January 2022. Employee FTE based on all funds. Please note, some of this information changes daily. All other numbers are based on data from the 2020-21 school year unless otherwise noted. By The Numbers is produced by Community Relations and Communications.
