1. The Salem-Keizer School Board is committed to providing school environments that promote and protect children’s health, well-being, and ability to learn by supporting healthy eating, physical activity and other behaviors that contribute to student wellness.
2. The School Board recognizes that while feeding children is primarily the responsibility of the family, the district has a responsibility within the school day to provide students with healthful food options, physical activity and health education programs that promote lifelong well-being.
3. Food of minimal nutritional value (FMNV) as defined by the United States Department of Agriculture (USDA) shall not be sold on school premises.
 - 3.1. Concession stands operated during regularly scheduled athletic or extracurricular events for the purpose of fundraising for the school are exempt.
4. Beverages, food and snack items offered in vending machines, a la carte food offerings and student stores must meet guidelines outlined in the District’s Local Wellness Procedure FNS-P002.
5. The District will establish a Nutrition Wellness Committee comprised of members of the public and staff.
6. The School Board will review this policy as needed with input from the District Wellness Committee.
