

To help students get the most out of school, it is helpful to have day-to-day insight into their academic experience. With the Synergy **ParentVUE** and **StudentVUE** web portals, parents and students can access near real-time information on attendance, class schedules, report cards, course history, graduation status and more.

If you have never used ParentVUE, you will need to set up an account. To set up an account [Click Here](#) and Choose the **More Options** button to **Activate Account**. Contact your student's school to obtain the seven digit access code that is required for your account.

ParentVUE allows parents to access their student's:

- Attendance
- Current Grades and Missing Assignments
- Class Schedules (secondary)
- Course History (secondary)
- Graduation Status
- Mid-term/Quarter and Final/Semester Grades
- School Information
- Demographic Information

A single username and password allow parents to access information for all of their children, regardless of the grade level or school of attendance. Each parent has an individual account that covers all children.
