

Marion and Polk County Immunization Resources

Contact your student's Primary Care Provider and ask for an "immunization only" appointment.

If your student is insured through Oregon Health Plan, but you do not know your student's Primary Care Provider, call Pacific Source at 503-210-2515 to find out.

If you have commercial or private health insurance, pharmacies offer pediatric immunizations for children 7 years and older.

Recursos para Inmunicaciones (Vacunas) en el Condado de Marion & Polk

Pongase en contacto con su Proveedor de Salud y solicite una cita para 'vacunas solamente'.

Si su estudiante tiene seguro medico con Plan de Seguro de Oregon, pero no sabe quien es el Proveedor de Salud, llame a Pacific Source al 503-210-2515 para preguntar.

Si tiene seguro medico comercial o privado, las farmacias ofrecen vacunas para personas de 7 años o mas.
