

Needs Assessment Community Meeting

For families of students who are of Pacific Islander heritage.

Greetings Families,

Please plan to join us and other Salem-Keizer Public School leaders for a community engagement session. We will focus on the vision for Salem-Keizer Public Schools, goals for the year and review student outcome data.

The input and feedback you provide will assist us in our strategic planning, setting student achievement goals and helping us provide a well-rounded educational experience for every student in Salem-Keizer Public Schools.

We need your voices to help us plan for improvement in ways that will best meet the needs of our students, families and communities. Please mark your calendars to attend.

A light dinner will be provided.

Childcare for children 4 to 13 years of age will be provided. *Please complete the google form with your name, student(s) name and grade, and names and ages of children needing childcare. This information will assist us in making sure we have space and suitable activities for the children.*

Thank you and please contact us if you have any questions. We look forward to seeing you on November 3, 2022.

Many thanks,

Cynthia Richardson
Director, Student Equity, Access, and Advancement
