Helpful Vocabulary

SSO: Single sign-on (SSO) is a session and user authentication service that permits a user to use one set of login credentials -- for example, a name and password -- to access multiple applications. If you are trying to log into a system, generally the following are correct for staff:

Username: lastname_firstname -or- lastname_firstname@salkeiz.k12.or.us

Password: the password you selected

Clever SSO: access to the resource is obtained via the Clever Portal – www.clever.com

Rostering: automatically creating class lists in software from another source. Primary sources in the district include Synergy, Clever, Active Directory, and MUNIS.

Clever Rostering: Clever is used as the authoritative source for creating application accounts and sorting them into classes automatically.

TIS: SKPS Technology & Information Services department

Software

Clever

Link: www.clever.com

Description: Clever is a secure pipeline between the district's data and the learning applications that staff and students use. The website helps the district's IT office provide applications with all the information they need to synchronize data. District use includes syncing with Synergy, MUNIS, and Active Directory to provide SSO services and rostering for educational applications as well as Chromebook badge login access for K-2 students.		
Usage: K-12	Account Setup: Automated by TIS	Certification Available: Yes – Vendor https://clever.com/academy
Clever SSO: Yes	Clever Rostering: Yes	
Training Resources: https://clever.com/academy		

Microsoft Office 365

Office Online – Word, Excel, PowerPoint

www.office.com

Description: All the productivity applications you are used to from Microsoft, but online in the Cloud.		
Usage: K-12; Staff	Account Setup: Automated by TIS	Certification Available: Yes – MIE and micro-credentials
