

## COVID-19 Specific Student Layered Screening Process

Salem Keizer School District values the health and safety of our staff and students. During the COVID-19 pandemic, the district has implemented the following student protocols to keep our buildings safe. We wanted to share our process with you.

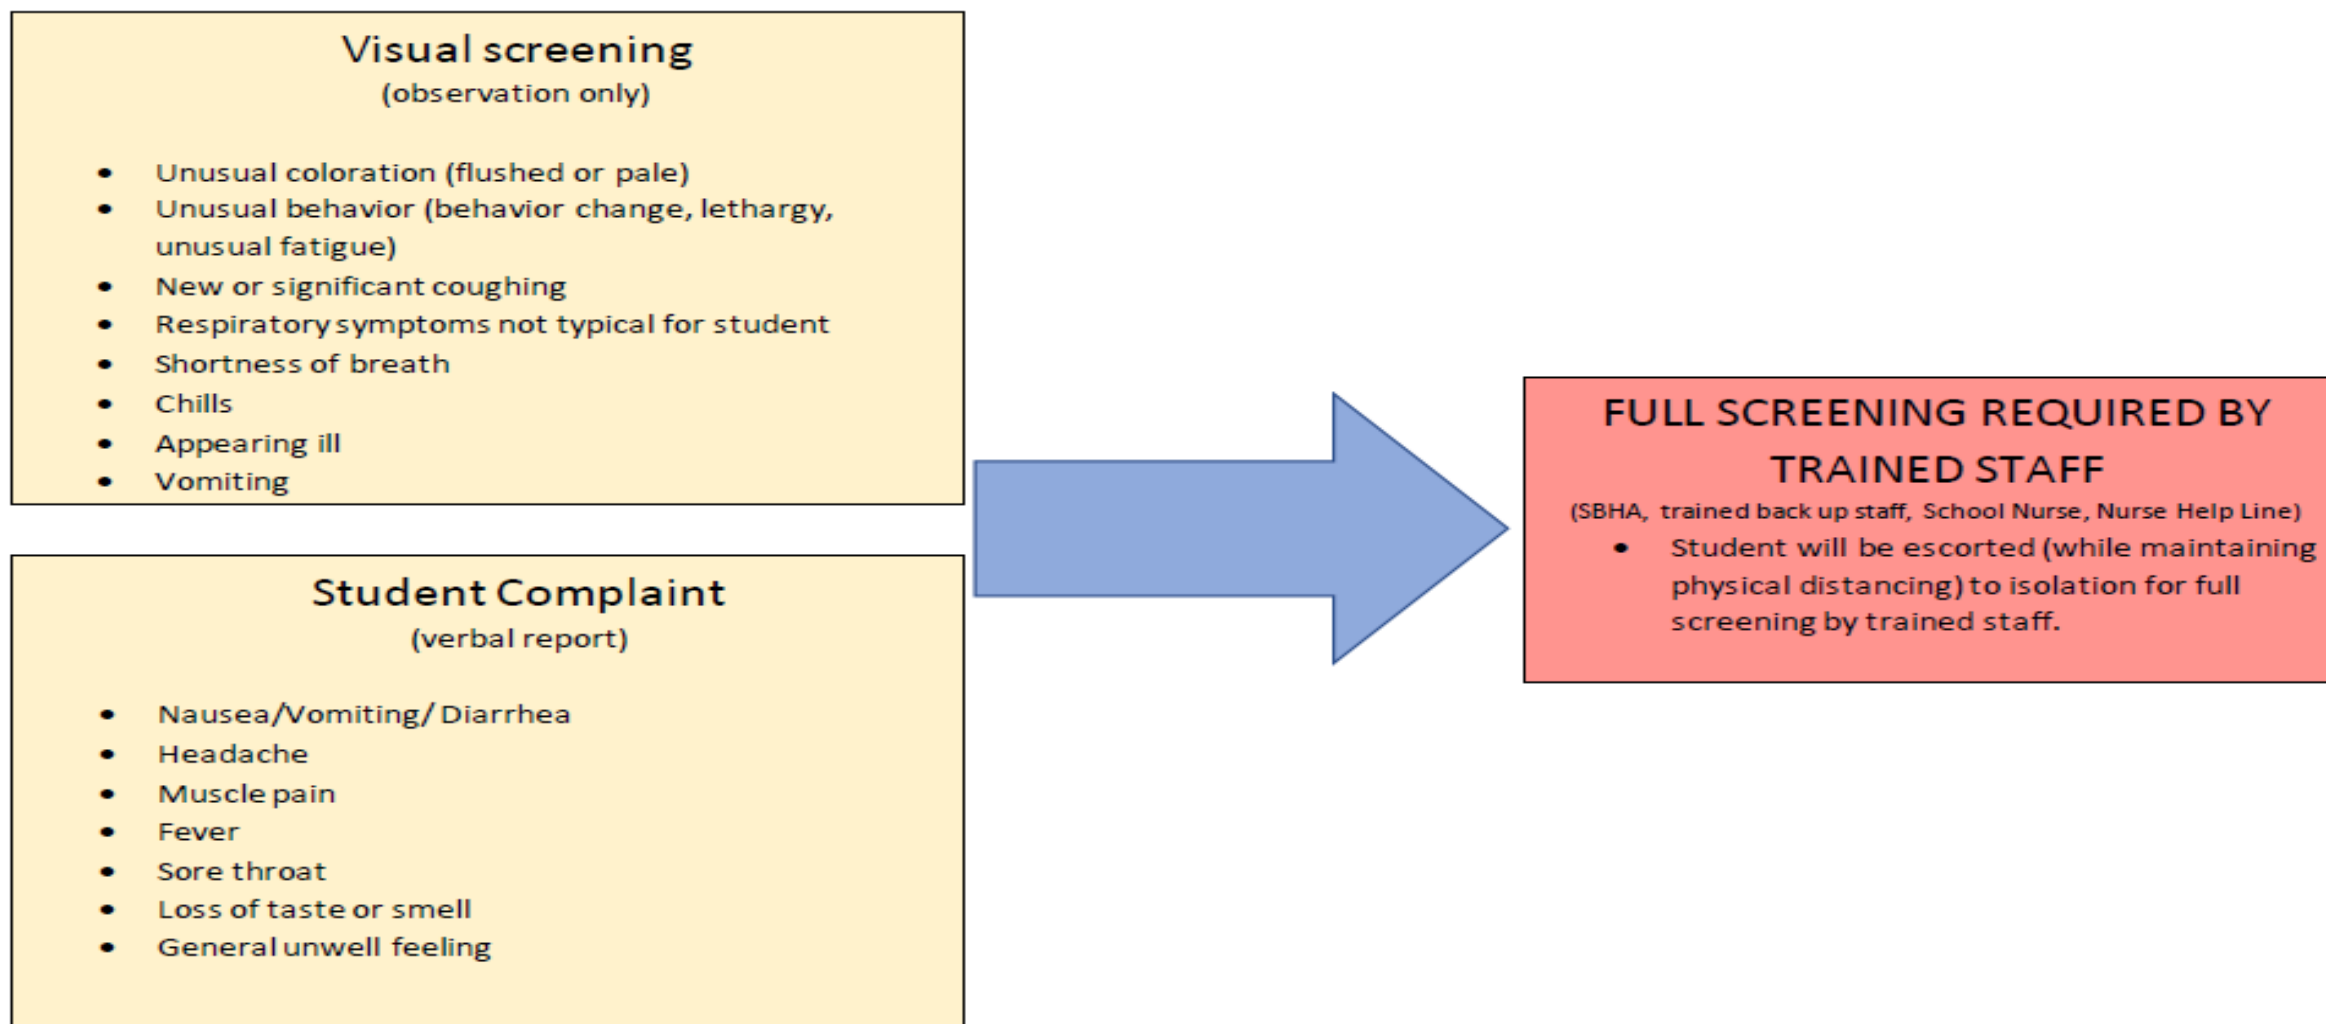

**Step 1** – Only healthy students present to school buildings (HST-F013).

**Step 2** – Health Screening to be completed prior to leaving home for school (HST-W010).

**Step 3** – All students receive a visual screen prior to entering the school building (HST-W014).
