# Safe and Welcoming Schools

## SKPS hosting 3-part virtual series on safety

- **January 26**, 6-7:30 p.m. - *School Safety and Emergency Procedures*
  - An overview of SKPS safety protocols and what to expect during an emergency/crisis at school
- **February 24**, 6-7:30 p.m. - *Social Media and Online Safety*
  - Know what your kids are posting and how to prevent online threats and cyberbullying
- **March 30**, 6-7:30 p.m. - *Building a Caring School Community*
  - Creating a culture of tolerance and inclusiveness

# Data Report and School Discipline

- Quarterly data report is in written reports in board packet.
- We reported on school discipline in November.
- Some things we saw after this:
  - Progressive discipline
  - High profile incidents
  - Holiday spike
- We reported on fights and physical assaults in board report.

# Menstrual Dignity Act

HB 3294

## Access and Privacy

- Purchased dispensers so students can have free access.
- Installation began over winter break.
- Phase 1 installation included girls' restroom and gender-neutral restroom at every site.
- Final rules from Oregon Department of Education due this month.

# HB 3047 - Doxing Law

- A person has a legal claim against someone who discloses personal information about the person with the intent to harass, humiliate or injure the person.

# HB 3047 - Doxing Law

- “Personal information” is broadly defined and includes disclosing:
  - the person’s home address;
  - personal email address;
  - personal phone number;
  - social security number;
  - contact information for the person’s employer;
  - contact information for the family member of a person;
  - photographs of a person’s children; and
  - identification of the school the person’s children attend.

# HB 3047 - Doxing Law

If the person proves they were harassed, humiliated or injured by the disclosure, the person may recover:

- Economic and noneconomic damages;
- Punitive damages;
- Injunctive relief; and
- Reasonable attorney fees.

Effective date: June 15, 2021

# Curricula Development and Access

- State standards drive curricula and lesson development.
- Visit the [Oregon Department of Education Standards and Instruction webpage](#) to view standards
- Lesson and assessment development (curricula) done by teacher teams.
- Contact your student's teacher to discuss or view curricula.
